

Testimonial for Catholic Moms Ministry from Dr. Josephine Lombardi

“Joining this Catholic Moms Group Ministry can be one of the most transformative experiences of your life. As a mother, it’s easy to feel overwhelmed and isolated, but this community has been a source of incredible support and encouragement for many moms throughout the Archdiocese of Toronto and beyond.

Through prayer gatherings, workshops, and heartfelt discussions, many have deepened their relationship with God and learned how to bring faith into every aspect of their family life. The wisdom shared by other moms inspires peers daily, and the friendships they have formed are a true blessing.

Catholic Moms Group Ministry is more than just a group—it’s a family rooted in faith, love, and a shared commitment to growing closer to Christ. Many are so grateful for this community and the way it uplifts them up on their journey as a mother.

Moreover, the new edition of *One Mother’s Heart*, ***Your Life is Going to Change*** a magazine created by founder Dorothy Pilarski and published by Dynamic Women Association of Toronto, is a high-quality publication, filled with words of wisdom, devotional material, and resources for young mothers. The accompanying videos are a bonus, well prepared and full of insights, designed to encourage young mothers.

Consider reaching out to Catholic Moms Group and discover the joy of being a part of a dynamic community of faith.”
